DID PAIN DISTURB YOUR SLEEP?

THE pain and torture of rheumatism can be quickly relieved by an application of Sloan's Liniment. It brings warmth, ease and comfort and lets you sleep soundly. Always have a bottle handy and apply when you feel the first twinge. It penetrates without rubbing. It's splendid to take the pain out of tired, aching muscles, sprains and strains, stiff joints, and lame backs. For forty years pain's enemy. Ask your neighbor.

This Coffee comes to us every week from the roasters and is roasted the day shipped. The regular coffee drinker well knows the difference between old coffee that has been in the store for weeks and months and coffee that is freshly parched. That was the reason so many old-timers bought green coffee and parched it themselves. We are saving the younger generation that trouble.

Wanted:

From Farmers Only—100 dozen fresh eggs Friday and Saturday. We will pay 35c per dozen if these eggs are strictly fresh. So coax your hens and come to us. If your hens are not laying as many eggs as they should, then try some of our specially prepared mixed chicken feed for them at 2 1/2c per pound; also crushed oyster shells at 2 1/2c per pound. The hens will soon show you their appreciation.
